

Biography - Jen Robbins, LEED®AP
Project Engineer
Turner Construction Company

Starting with Turner Construction in 2001, Jen has worked in the Preconstruction, Estimating, Purchasing and Cost Departments. She has also spent time working on project sites with her most recent role as the Project Engineer for the GE Healthcare Digital X-Ray Production Facility Project in North Greenbush, NY.

Jen stays involved in the community with a special focus on getting local students interested in Math, Science, Engineering & Construction through programs such as YouthForce 2020 and developing and delivering programs for the girls of Girls, Inc. of the Capital Region. She is also a member of the Associated General Contractors of New York State and devotes time to their education initiatives.

Jen holds a Bachelor of Science degree in Civil Engineering from Union College.

Although Jen grew up in Buffalo, NY she has lived in the capital district for the past 12 years and now resides in Niskayuna, NY with her husband David and their three children.
