

Biography - Rex Wang

Lead Business Consultant
Blue Slate Solutions

I was born in Taiwan, China and moved to the US in 1986. I graduated from RPI in 1996 with a B.S. in Management Systems. While working as a consultant, I lived and worked in Stockholm and The Hague for 26 months before moving to Manila and Kuala Lumpur for 16 months. I moved back to the US to join the New York Teaching Fellow program in 2002 and taught middle school math in the Bronx for 3 years while getting my Masters in Education at night. Not liking the administrations in the public school system, I came back to RPI to get my MBA and graduated in May, 2007. I joined Blue Slate Solutions at the end of July 2007 after my honeymoon in Scandinavia. I have an 18 month old son that never stops moving.
