Rebuilding Homes, Rebuilding Lives**

Thursday, March 4, 2010 9:00 – 10:30 a.m.

or

Monday, April 5, 2010 4:00 – 5:30 p.m.

**Family Investment Center
120 Emmons Street (Steinmetz Homes)
Schenectady, New York**

CREDIT/POINTS: 2

RELATED TOPIC: At-Risk Young Adults (ages 18 to 24), Employment, Education

**DESCRIPTION: Do you want to inspire, assist or encourage a young person?
Do you have life experience to share?**

Think you don't have the time to be a mentor? Think again! Mentors provide youth from [Northeast Parent & Child Society's](#) Career Development Services with opportunities to explore career options, seek leadership guidance, educational resources, develop social and decision-making skills, and continue to build a positive and supportive social network.

[YouthBuild Schenectady](#) is a U.S. Department of Labor funded program that helps young adults ages 18-24 from Schenectady County to earn a GED while getting paid to build affordable housing and learning valuable job skills.

Come to our information session and learn how you can play a role in our students' success. Participate in a tour of our students' affordable housing project. Hear students share how Northeast Parent & Child Society is helping them change their lives for the better!
